## Follow these simple tips to get to and from school safely

- Board the bus one at a time, and hold the handrail when entering and exiting the bus.
- Go directly to your seat, and remain seated and facing forward the entire bus ride.
- Talk quietly, so as not to distract the bus driver, and always listen to the bus driver's directions.
- Keep the bus aisles clear, and never put your head, arms or hands out of the bus windows.
